AMORES CRUZADOS

SYNOPSIS

AMORES CRUZADOS, forever, a new superproduction from Turkey. With the wonderful Istanbul as a backdrop, the central story of this dramatic series is a love story that will be shaken up by the relationships that are woven together tending to complicate everything. Also, a very fine line between the gap between the rich and poor; the materialist at all costs and the fervent idealists, as well as the boundaries between the ethical and the immoral.
